

COVID-19 PREPARDNESS

TO ALL OUR VALUED CUSTOMERS

The well-being of our employees and customers has always been our main concern. During this extremely volatile and challenging time for all of us due to COVID-19, I want to assure you that I am doing everything possible to ensure the security of our community. In order to reduce the propagation of the virus Covid-19 we will be reducing the store hours. Follow us on Facebook for updates.

Store hours for this week:

Friday March 20th 12:00 to 17:00

Saturday March 21st 12:00 to 17:00

New procedures to be followed;

- 1- Please disinfect hands upon entering the store.
- 2- Please 3 customers at a time in the store.
- 3- Highly recommended to use pay pass or apple pay
- 4- We will not be collecting empty bottles or cans. <https://www.recyc-quebec.gouv.qc.ca/>

Let's take care of one another in order to maintain our health and security, and we will emerge from this stronger and more closely united.

Thank you,
